

# FOSTERBURG WATER DISTRICT

## Material Inventory

As per Illinois regulation 415 ILCS 5/17.12 a “Material Inventory” is being requested by *all water services* connected to Fosterburg Water District distribution system. If you own more than one property, you will have to fill out a separate form for each accordingly. (Copy this form if more than one required) or you can go to [www.fosterburgwaterdistrict.com](http://www.fosterburgwaterdistrict.com) and go to News and Notice tab then click on Lead Service page and look for the “Material Inventory form” link to print off additional forms

\_\_\_\_\_

**Where the water line enters into your home through the wall or floor.** To the best of your knowledge, place a mark by the material type as indicated. If not listed, please state in the category “Other” and list the material of service line material type.

If you are unsure and would like a representative from FWD to inspect your service line inside your residence, please call the office at 618-259-0935 to make an appointment.

*Note: This does not require the digging up or exposing of the water service line!*

If unknown please make every attempt to know, for *IEPA will consider “Unknown” as a LEAD service line* and will be subject to further actions to be taken. Costing unwarranted time and monies for all.
